DETAILED ACTION

Allowable Subject Matter

1. Claims 1-17 are allowed.
2. The following is an examiner's statement of reasons for allowance:

As to claims 1-10, the prior art does not disclose a three-phase electricity meter particularly defined by characteristic of *a test switch member movable between test position and an operating position, wherein the test switch member being engaged with the first, second and third contact members such that when the test switch is moved to the test position, the second end of each of the contact members is moved out of contact with the first, second and third bus bars*; in the combination with the other claimed features.

As to claims 11-17, the prior art does not disclose three-phase electricity meter particularly defined by characteristic of *a test switch member configured to engage each of the flexible fingers of the plurality of contact members, the test switch member being movable between a test position and an operating position, wherein when the test switch member is in the test position, all of the flexible fingers are out of contact with the bus bars*; in the combination with the other claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
